Mithun Adhitya, Karthik Keshav, Vinoth Kumar

Architecture / Facade

Styling: Mithra Balasekaran ( Interior designer/stylist)

A house designed in a small residential area in urban context. Our design stream here is based on the space is defined by its lines, projections, intersections, and material combination with three layers of volume. A dynamic play of open and closure enabledby a perforated brick wall, resulting in a dynamic shadow play..

The Volumes overlaps and intersects creating a sense of open and closure on the sides, while enveloping the essence of surrounding the other. The dynamic play of open and closure enabled by a perforated brick wall, resulting in vibrant shadow play. A punctured brick wall created in a curving path with angled bricks to create a dynamic flow.
